

Gener-Gel™

Equine Microbial Paste

Oral direct fed microbial/vitamin gel for horses containing live, viable, naturally occurring microorganisms; enzymes and biotin.

GUARANTEED ANALYSIS: (per ml)

Biotin..... 1 mg

Total Microbial Count 2 Billion CFU

(*Saccharomyces cerevisiae*, *Lactobacillus acidophilus*, *Lactobacillus casei*, *Enterococcus faecium*, *Lactobacillus lactis*, *Pediococcus cerevisiae*, *Bacillus subtilis*, *Bacillus licheniformis*)

alpha Amylase (*A. oryzae*, *A. niger*)..... 2,500 FAA

Protease (*A. oryzae*, *A. niger*) 10,000 HUT

INGREDIENTS

Vegetable oil, sucrose, dried *Saccharomyces cerevisiae* fermentation product, biotin, dried *Aspergillus oryzae* fermentation extract, dried *Aspergillus niger* fermentation extract, dried *Lactobacillus acidophilus* fermentation product, dried *Lactobacillus casei* fermentation product, dried *Enterococcus faecium* fermentation product, dried *Lactobacillus lactis* fermentation product, dried *Pediococcus cerevisiae* fermentation product, dried *Bacillus subtilis* fermentation product, *Bacillus licheniformis* fermentation product, maltodextrin, silicon dioxide.

RECOMMENDED USES

A digestive supplement for horses at birth, shipping, when off feed, in conjunction with veterinary therapy or other times that listed microbial cultures are desired.

APPLICATION / FEEDING DIRECTIONS

Convenient dial-a-dose syringe dispenses desired amount with push of plunger. Place gel on feed, mix with grain, or place gel directly inside horse's mouth by gently inserting the tip of tube between the cheek and teeth.

Administer orally once or twice daily for up to three days:

Foals	5 ml.
Yearlings	5 to 10 ml.
Adults	10 ml.

Product Code
GN-282

Packaging
80 ml (2.7 fl oz) dial-a-dose tubes / 12 tubes per box / 48 tubes per master case
